

Dear Peter T. Dalleo,

May 16th 2008

It is my intent to over turn my current status and custody with my solid ground for dismissal. For the fact of unnecessary delay in indictment or bringing the defendant to trial; criminal rules 46 I, 48 B, and chief justice rules for denile of speedy trial. The ~~Criminal Timeframes Procedure have~~ Criminal Procedure Timeframes have been disregarded long enough without due sanction. I'm request someone apply motions for dismissal on my behalf.

Sincerely
